## Principal's Message

Welcome Spring! We hope everyone had a restful Easter break. We had a busy month of March at BMS!

As we end the 3<sup>rd</sup> quarter at the beginning of this month, we remind parents to review grades with their children and discuss ways they can improve. Keep in mind; we have BELLA tutoring afterschool for students on Tuesday, Wednesday and Thursday. We also offer Saturday school each Saturday from 8:00-11:00 a.m.

We remind 8<sup>th</sup> graders to stay on top of their grades as they must be passing all classes in order to attend the 8<sup>th</sup> grade Promotion ceremony. Letters have been sent home to parents of students in danger of not passing classes or attending the promotion ceremony. If you have any questions regarding your child's grades, please do not hesitate to contact their teachers or guidance counselor.

8<sup>th</sup> graders spent the day at the Junior Achievement Inspire Career Fair on March 27<sup>th</sup> in Providence! They visited various employer booths to learn about different career options. This field trip was the culmination of lessons that helped students to explore career opportunities that would best suit them. We want to thank Junior Achievement for including us in their first Inspire Career Fair and Elaine Sardella, School Based Coordinator at BHS for supporting us throughout this process!

Our Pennies for Patients drive is still ongoing at BMS. Thank you to the many parents and students that helped to fundraise during our Parent Teacher Conference Night! Your contributions helped us to raise over \$150 for Pennies for Patients! Thank you!
