Principal's Message

Welcome to the New Year! I appreciate everyone's kind thoughts and words during my maternity leave. I want to thank Ms. Robidoux and Mrs. Pereira for their hard work and doing a wonderful job while I was gone! It's great to be back at BMS!

January brings about the end of our first semester. Students who have semester long courses will begin a new class on January 26th. Copies of those new schedules will be given to students. We ask parents to review grades with their child as they enter the 3rd quarter. Students and parents of 8th graders are reminded that if they fail any class for the year, they will not be able to participate in our promotion ceremony. If you and your child are concerned about their grades, please do not hesitate to contact your child's teachers and/or guidance counselors. Additionally, we have after school tutoring available Tuesday-Thursday at BELLA with a late bus should your child need after school transportation.

This past month, our advisory classes have worked to collect canned food items for those in need. Together we've collected 1,332 canned goods! Thank you to our BMS community for their help and support this holiday season!

Washington DC Update
