- June 19<sup>th</sup>- 8<sup>th</sup> grade Promotion @ 6:00 in BMS gymnasium
- June 20<sup>th</sup>- Last Day of School

Kathryn Lord, Principal  
Raechel Robidoux, Vice Principal

## Principal's Message

It's hard to believe we're already in June! As we begin to wind down the school year, we remind students to utilize all of our supports offered for their classes. BELLA is still available after school on Tuesday, Wednesday, and Thursday for students to complete homework, study, or work on projects. Please use these next few weeks to work on improving your grades to set you on the right path for next year!

Students who have not successfully passed their academic classes will have the option to attend summer school. We strongly recommend attending summer school as a means to remediate skills for students who showed difficulty throughout the year.

We also remind 8<sup>th</sup> graders to stay on top of their grades as they must be **passing all classes** for the year in order to attend the 8<sup>th</sup> grade Promotion ceremony. Letters have been sent home to parents of students in danger of not passing classes or attending the promotion ceremony. Please note, students **MUST have a final average of at least 65** for the entire year.

As we end school and think about summer, we'd like to remind all students to stay on top of their summer reading assignments! Students will be set up with a Google Classroom for summer reading by grade level. As they complete their summer reading assignments, they will need to submit their assignments via Google Classroom. Students will be set up in the Classroom prior to the end of the year. If you have any questions regarding summer reading, you may contact our Media Specialist, Diane Lebrun at [lebrund@bsd-ri.net](mailto:lebrund@bsd-ri.net).

We hope everyone has a restful and fun summer break! We look forward to seeing everyone again in the fall and good luck to our 8<sup>th</sup> graders at BHS!

## What's Happening at BMS

Logan Tupper and Paige Harkins were selected as BMS Scholar Leaders and were recognized at a Banquet on May 23<sup>rd</sup>! Great job, Logan and Paige!

Our 8<sup>th</sup> graders had a wonderful time in Washington D.C.!

Mr. Kevin Morin, a civil engineer from Green Development, LLC, came to speak to 6<sup>th</sup> grade students about renewable energy!
