Important Message to Parents with Adolescents Entering 7th Grade

In accordance with the Rhode Island Department of Health *Rules and Regulations Pertaining to Immunization and Testing for Communicable Diseases* (R23-1-IMM), all adolescents entering 7th grade are required to have the following immunizations **prior** to entering the 7th grade:

Children entering 7th grade- must have met the pre-kindergarten and kindergarten immunization requirements, plus:

- 1 dose of HPV (human papillomavirus) vaccine
- 1 dose of Meningococcal Conjugate (MCV4) vaccine
- 1 dose of Tdap (tetanus, diphtheria, pertussis) vaccine
- Additionally a current physical exam is required upon entry to the 7th grade.

For more information, please visit: www.health.ri.gov/immunization/for/schools

If your child has had the immunization(s) & a current physical exam already please send in that information to the School Nurse. The information **may be faxed to 568-1317** from your doctor's office.

If you are in the Religious Exemption Category the form may be downloaded by visiting the BMS website: under parents & students tab and click health office tab. Please forward the documentation as soon as possible. If mailing over the summer please write Attention: School Nurse on front of envelope.

Sincerely,

Jennifer Poisson RN, CSNT
